

Year 6 Emerald Newsletter Summer Term 2

The end of an era...

And so all good things come to an end...

This next six weeks marks the end of your child's Fieldhead Academy journey as they move onwards and upwards towards high school and beyond. One thing we can certainly say is how incredibly proud of each and every one of the children in our class. Without exception, the journey they have taken over the last few years has been nothing short of remarkable. They have come so far in terms of maturity, academic success and (most importantly in my opinion) in terms of their character. This is entirely down to their own hard work, determination and effort. Because of this, we are confident that every one of these young adults in our Year 6 class is now ready to move on and become a massive, massive success at whichever high school they are leaving us for.

Over the next few weeks, worry not, there will be no rest and we will continue to stretch our minds; learn new skills and keep ourselves very busy indeed. There will be script lines to learn for our play; visitors coming to tell us about their career paths and choices and of course an End of Year Leavers Assembly. We shall be learning about the beauty of the world's Oceans; designing our own World War II glider and much, much more.

Thank you for all your support!

Mr. Elam, Miss Koch & Miss Kernick

SATs

I would just like to take this opportunity to say congratulations to every one of the children over the way they handled SATs week.

Whatever our personal opinion on testing 11-year-olds, it is clear that the SATs can often add extra stress no matter how much we attempt to minimise it. Again, without exception, I can assure you that your child worked incredibly hard and did the absolute best they could. Everyone did.

You will have the results as soon as we do, but always remember that whatever scores they achieve, the SATs will only ever offer a brief snapshot of a child's true ability.

Important Events & Dates

There's plenty going on over the next few weeks

Ocean Day Assembly

Careers Week

Transition Visits
(details from your chosen Secondary School)

Year 6 Play

Leavers Assembly
